

# Melba Jr/Sr High School

January 2020

## WHAT'S GOING ON AT THE JR/SR HIGH?

Happy new year! 2020 is here! I hope that you all had a great Christmas break with your family and friends. It is fun to see the students come back excited to talk about what went on during the break for them. This second semester will go really fast and before you know it we will be preparing for graduation and the end of the school year. As we start the school year here are a few “resolutions” that you can do with your students to make sure they have a successful semester.

- Set reminders on your phone to check your student's grades on Powerschool. You can also set up your student's account so that you will receive notifications to your phone. The office staff can help you with either one of these processes if needed.

- Talk with your student to see how it is going in class and with their teachers. If you haven't already, reach out and email or call the teachers of your student and ask how your student is doing.

- Ask your student how it is going with friends. Who does he or she like to hang out with or be around?

If you ever have any questions or concerns about your student and school, please feel free to contact me or someone at the school. We definitely believe that communication and cooperation is the key to helping our students to be successful.

Eric Forsgren—Principal
