P.O. Box 185, 520 Broadway – Melba, Id. 83641- Phone 208-495-1141

March 17, 2020

Melba School District Parents and Guardians,

The state and federal governments continue to make changes that are affecting each of us. Schools have been closed and many have closed for multiple weeks. The Melba School District has not determined how long our closure will be and understand that there are lots of questions being asked. On March 25<sup>th</sup> the Melba School Board will hold a meeting to review the current situation and address the timeline for schools to reopen. With this uncertainty of what the next week holds, the district is preparing for an extended closure and how to continue education for our students. The safety of our students and staff is the driving force of our conversations.

The district webpage has links to the most current emergency information from the school and state. Do not hesitate to contact us if you have any questions.

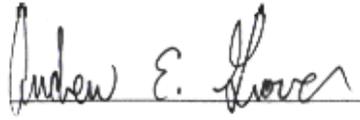

As we work towards solutions to our educational direction, will you please take a few minutes to fill out a survey on needs you may have if we move to an online platform? Teachers are creating and revising curriculum to make it all accessible online and if we end up going that way, we want to make sure students have access to it from home. If we do move this way, students will be required to participate the same as if they were coming to the school. They will have the same schedule and we will work off the same school calendar. I will keep you posted as we move forward and let you know after the board meeting what direction the district will be moving forward with.

The survey link is: <https://www.surveymonkey.com/r/TQSCT2P>

Thank you again for your continued support and patience as we travel into new territories with education. Information and state direction changes rapidly and we will do our best to inform you of changes that may occur in the school district.

Please be safe and take the precautions you feel are important for you and your family over the week of Spring Break. If you need more information or would like to make comments, please call or email us at: 208-495-1141 or [info@melbaschools.org](mailto:info@melbaschools.org).

Sincerely,

A handwritten signature in black ink that reads "Andrew E. Grover". The signature is written in a cursive style and is positioned above a thin horizontal line.

Dr. Andrew Grover  
Superintendent  
Melba School District
