<sup>(3)</sup> To be determined based on future State Legislation

<sup>(4)</sup> Certificated or Pupil Service staff who are in their first year of holding an Idaho certificate or who have a valid out-of-state certification shall be placed in the R1 cohort.

<sup>(5)</sup> Movement within the Residency cohorts and the Professional Cohorts is based on achievement of the professional compensation criteria as listed in Idaho Code and as approved by the Idaho State Department of Education (SDE). This includes attaining appropriate Idaho Endorsements as required by Idaho Code 33 and the State of Idaho Department of Education (SDE). **If an employee does NOT meet the Cohort professional compensation criteria or does not receive the appropriate Idaho Professional endorsement, the employee will remain in the same cohort as the previous year.**

<sup>(6)</sup> No employee should be at a higher cohort than determined by the State of Idaho Department of Education (SDE). However, if an employee was advanced to a higher cohort and it was later determined by the SDE that the employee did NOT meet the advancement criteria, the District will honor the current contract amount for the current fiscal year. However, in the next fiscal year, the District will correct the mistake and set both the cohort and corresponding contract amounts accordingly. The cohort correction will align with the cohort designation determination as stated by the State of Idaho Department of Education (SDE) AND the contract amount will align as determined by the career ladder cohort funding table above. This applies to funding which may be affected by the cohort determination AND which a stipend or other payment is provided to the certificated or pupil service staff. Such an example would include the education monies provided per Idaho Code 33.
