***RE: Contract Renewal for Fiscal Year 2021***

The Melba School District #136 would like to authorize the voluntary renewal clause in the attached Vendor Agreement for the upcoming fiscal year. As stated, all terms of the agreement (see attached) would remain the same for the July 1, 2020 through June 30, 2021 contract period. However, due to current market conditions, United Oil has offered a renewal rate of \$0.10 over the daily OPIS price.

Please sign and return this letter showing your acceptance of the contract renewal.

If you have any questions, please contact either Andy Grover or myself.

Sincerely,

Dalelyn Allen  
Business Manager  
Melba School District #136

**I certify that United Oil will allow the Melba School District to renew the current Vendor Agreement for Unleaded and Dyed Diesel fuel. All terms and conditions set forth in the original agreement (see attached) will continue including the amended pricing structure as stated above for the July 1, 2020 through June 30, 2021 fiscal year.**
