Mrs. Ashli Nelson, Principal

Tuesday, August 04, 2020

Dear Parents,

Last night the Melba Board of Trustees voted to approve the Melba Reopening Framework presented by Dr. Adams and also approved the district to start the school year in the "green" category. The Melba Board of Trustees made the decision to delay the start of school for students to Wednesday, August 19th, 2020.

Due to the changes in our student start date, I wanted to provide you with information regarding the COVID-19 Handbook, Back to School Night, class lists, and registration folders.

COVID-19 Handbook-

The COVID-19 Handbook is complete for you to view. It is attached to this email. The handbook will also be posted on our website and included in our registration folders.

Back to School Night-

We will continue to hold our Back to School Night on Tuesday, August 11th. The event will follow the same procedures that we have communicated previously. Videos from teachers will be up on the website for you to view. Kindergarten students and new students to the district will be permitted to enter the building to meet their teacher. We are looking forward to this event!

Class Lists-

Class lists will be posted on Friday, August 7th in the windows of the front door. We will also post these lists on our website.

Red Folders-

Red folders will be available for you to pick up starting August 10th. You may pick up these folders at your convenience throughout the week from 8:00am-3:30pm in the main office. The Red folder contains registration information for the 2020-2021 school year. If you are unable to pick these folders up throughout the week, they will be sent home with your child on the first day of school. Please complete these folders and return them to the school as soon as possible.

Thank you so much for your support! We are so excited to have students back in the building with us! It is going to be a great year! Go Mustangs!
