Dear Melba School District Community;

It is with deep regret that I inform you about a recent loss to our school community. On October 8, a tragic auto accident took the life of one our students. The student was the only occupant in the vehicle. Our hearts and prayers are with the family during this time. This loss is sure to raise many emotions, concerns, and questions for our entire school, especially our students.

Melba School District has an Intervention Team made up of professionals trained to help with the needs of students, parents, and school personnel at difficult times such as this. We will have counselors available at our schools starting Monday morning for any student who may need help or other assistance surrounding this loss. We encourage you, as parents, to also feel free to use our resources.

If you would like additional information or need assistance, please do not hesitate to contact the school district, elementary school or Jr. Sr High school.
