The Institute is designed to facilitate interactive participation. A significant portion of the Institute is dedicated to answering questions, discussing issues and solving school district problems. Attendees will have the opportunity to review with legal practitioners and experts in education and current legal issues that have a significant impact on Idaho public schools. An emphasis will be placed on strategies for developing policies and procedures for adhering to legal mandates and preventing situations that may give rise to liability. Neither audio nor video recording of this Institute is permitted.
